

TRAVEL TIPS – FALL EAST COAST HISTORICAL PROGRAM

AIRPORT CHECK IN: Arrive at the airport 2 hours prior to departure and proceed as a group to the ticket counter for passengers with tickets. **We advise all travelers to carry a photo ID** (Student Body Card, Drivers License, etc.) ****DO NOT CHECK YOUR LUGGAGE CURB SIDE!!****

IMPORTANT

Do not lose your boarding pass. You must present this at security checkpoints, without a valid boarding pass you will not be permitted through security to your aircraft.

MEALS ON FLIGHTS: Most airlines no longer provide meals on long flights. Most offer meals and/or snacks for purchase. Snacks or other food items may be brought from home, refer to the **TSA 3-1-1** brochure for details.

FUNDS WHILE TRAVELING: We recommend you bring either traveler checks or a debit/credit card and very limited amounts of cash. Both are safer than cash and are accepted everywhere. However, you must have picture I.D. (student I.D.)

WHAT SHOULD YOU PACK? Early spring months on the East Coast will be more cool than warm with possibility of rain. We suggest comfortable, casual clothes and walking shoes for daytime touring, a jacket, sweatshirts, and a rain poncho. If your group has a theatre performance or a special meal in a restaurant, dress clothes (no jeans) should be included in your packing. Also, most of the hotels you will be staying in have indoor swimming pools, so be sure to take your swimming suit.

We recommend that all passengers wear a watch at all times. Punctuality is very important on these types of trips. Photos are also very important to travelers. We suggest that travelers purchase disposable cameras. They take great pictures and if for some reason they get lost, you will not have lost an expensive camera. One last suggestion is the purchase of a pre-paid calling card. That is the most convenient way to call home since the phones in the hotels are turned off for out going calls.

Please refer to the TSA 3-1-1 brochure in your online account to ensure a quick check in at the airport!

MEDICAL PERMISSION FORM: Every passenger is provided with a medical permission form. Make sure the form is completely filled in and give it to your organizer. Students with prescription medicine should have adequate supply as out of state prescriptions are sometimes hard to fill.

THANK YOU & HAVE A WONDERFUL TRIP!!
